## Technical skills

---

**Tools:** ES6+ Javascript, React.js, Next.js, Typescript, Node.js, Express.js

## Experience/Projects

---

### **Inventor Community-** Frontend-lead

Jan 2022 - Present

Develop a dynamic and scalable web application for showcasing lead member profiles and managing events, with an admin dashboard, well-secured authentication, and streamlined event management for better engagement. Tools: Next.js, Typescript, node.js, Nest.js

- Link: <https://inventors-dev.netlify.app/>

Mentored students in building real-world applications using vanilla javascript, encouraging hands-on experience and problem-solving.

### **Nano Degree Ltd** - Fullstack developer

Jan 2024 - Jan 2025

Developed and maintained a full web application, enhancing user experience and optimizing performance with the MERN stack (Mongo DB, Express.js, React.js, Node.js) such as an Invoice Application -links: <https://invoice-app-j30a.onrender.com/>

## Projects

---

### **Real-Estate Management App**

This app serves as an all-in-one solution for property listings, and enquiries. It provides a smooth experience for stakeholders, such as real estate agents who manage listings, and admins who oversee operations, the platform may cater to buying, selling, renting, and property management needs. -link: <https://mern-estate-xjyv.onrender.com/> tools: Mongo DB, Express.js, React.js, Node.js

### **E-commerce web app**

The official goal of this e-commerce web app is to create a seamless shopping experience for the user by providing a friendly user interface, secure transactions, for administrator and store management -link: <https://e-commerce-2boz.onrender.com/> tools: Mongo DB, Express.js, React.js, Node.js

### **English Dictionary**

It acts as an interactive tool for anyone interested in expanding their vocabulary and improving language skills, with integrated text-to-speech functionality which is helpful for language learners and those practicing new words - link: <https://opeyemi-2018.github.io/dictionary/>

Tools: ES6+ Javascript

## Education

---

OLUSEGUN AGAGU UNIVERSITY OF SCIENCE AND TECHNOLOGY, ONDO STATE NIGERIA  
BACHELOR OF SCIENCE

Aug 2021 - Sep 2025
